

S'MORE Bingo!

- When a student completes the reading task in a square, have a parent/guardian initial in that box. Students may then color the box, “X” out the box, or put a sticker in the box to show they’ve completed it.

- Students should bring their completed PEACE Bingo sheets to school on **Thursday, March 30th** and return them to their teachers.

- Students who complete the S'MORE Bingo sheet will have their name announced at the Battle of the Books and will earn a small prize for participating.

- We would like students to fill in the **ENTIRE** sheet to encourage them to read (A LOT!) at home during the month of March.

Happy Reading Randolph!
